Notes to Financial Statements  
For the Year Ended December 31, 2014

**Note A**

**Basis of Presentation** - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America as defined by the Financial Accounting Standards Board Accounting Standards Codification. Under the accrual basis of accounting, revenue is recognized when earned regardless of when collected, and expenses are recognized when the obligation is incurred regardless of when paid. Net assets, revenues, and expenses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Texas Pit Crew and changes therein are classified and reported as follows:

Unrestricted net assets - These types of net assets are not subject to donor-imposed stipulations. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law.

Temporarily restricted net assets - These types of net assets are subject to donor-imposed stipulations, which limit their use by Texas Pit Crew to a specific purpose and/or the passage of time. When a restriction is satisfied or expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets - These types of net assets are subject to donor-imposed stipulations, which require them to be maintained permanently by Texas Pit Crew. There were no permanently restricted net assets as of December 31, 2014.

**Inventory** - Inventory, which consists t-shirts and other merchandise, is valued at the lower of cost or market. Cost at sale is determined on the weighted average method.

**Property and Equipment** - Acquisitions of property in excess of \$500 are capitalized. Donated equipment is recorded at fair market value at the date of the donation. Purchased equipment is recorded at cost. Depreciation expense is calculated using the straight-line method. and the

**Donated Goods and Services** - Donated goods and services are reflected in the statement of activities at their fair value on the date of receipt.
